OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 20 May 1969

25X1A 1. (Unclassified - GLC) In response to his call last week, I talked with Ben Gilleas, on the staff of the Senate Preparedness Subcommittee, on the [REDACTED] case. I told him that the case was pending with our Director of Personnel, who had all the facts, and that I would expect a decision in the near future. I told him I would be in touch with him as soon as I learned of the outcome.

2. (Internal Use Only - LLM) Spoke with Mr. Victor Zafra, BOB; Mr. Andrew Ruddock, CSC; and Robert Hull, Department of State, concerning BOB's recent request for Agency proposed legislation to implement the transfer of credit and minimum guaranteed benefit concepts. The outcome is that the Civil Service Commission is updating their legislative package on this subject and will keep it in a standby status subject to a more formal request by BOB. CIA and State action is necessarily tied to and should follow the Commission's. See memo for the record.

3. (Secret - JGO) Reviewed with Mr. James Lowenstein, on the staff of the Senate Committee on Foreign Relations, the Director's response to a question relating to concentration of the United States and Soviet population contained in the transcript of the Director's briefing of 23 April. Mr. Lowenstein advised that the supplement of the information provided by [REDACTED] was more than adequate. No further action is required on this matter. See Journal item of 15 May.
